

ESSA Landscape: Implications for K-12

Required indicators of success

- Academic Performance: ELA, Math, Science
- Academic Growth
- Graduation Rates
- English Language Learner Proficiency (LA)
- Additional Indicators: School Quality or Student Success

Equal SCHOOL RATINGS

Advocates for Equity should . . .

- Take advantage of new data
- Keep an eye on data quality
- Keep pushing for improvements in accountability systems
- Provide meaningful support for school improvement, e.g., Ed Trust's Assignment Tools
